Completing Form TD1ON

Complete this form **only** if you are an employee working in Ontario or a pensioner residing in Ontario and any of the following apply:

- you have a new employer or payer and you will receive salary, wages, commissions, pensions, Employment Insurance benefits, or any other remuneration;
- you want to change amounts you previously claimed (such as when the number of your eligible dependants has changed);
- you want to increase the amount of tax deducted at source.

Sign and date it and give it to your employer or payer.

If you do not complete a TD1ON form, your new employer or payer will deduct taxes after allowing the basic personal amount **only**.

Will you have more than one employer or payer at the same time?

If you have more than one employer or payer at the same time and you have already claimed personal tax credit amounts on another Form TD1ON for 2012, you **cannot claim them again**. If your total income from all sources will be **more** than the personal tax credits you claimed on another Form TD1ON, enter "0" on line 12 on the front page and do not complete lines 2 to 11.

Total income less than total claim amount

Check this box if your total income for the year from **all** employers and payers will be **less** than your total claim amount on line 12. Your employer or payer will not deduct tax from your earnings.

Additional tax to be deducted

If you wish to have more tax deducted, complete the section called "Additional tax to be deducted" on the federal Form TD1.

Reduction in tax deductions

You can ask to have less tax deducted if on your income tax return you are eligible for deductions or non-refundable tax credits that are not listed on this form (for example, periodic contributions to a Registered Retirement Savings Plan (RRSP), child care or employment expenses, and charitable donations). To make this request, complete Form T1213, *Request to Reduce Tax Deductions at Source for years ____*, to get a letter of authority from your tax services office. Give the letter of authority to your employer or payer. You do not need a letter of authority if your employer deducts RRSP contributions from your salary.
